

The sky isn't the limit.

Vaswani Pinnacle. Club class apartments on Whitefield Road.

A majestic skyscraper soaring above the din of the city, set amidst the clouds. Vaswani Pinnacle offers you club class apartments, housed in twin towers, done the international way.

Amenities and facilities include an internationally styled club house with gymnasium, lap length swimming pool, glass-backed squash court, children's play area and much more. And with just minimal ground coverage, you get meandering walkways amidst lush greenery.

Where to arrive

On Whitefield Main Road, diagonally opposite the Hindustan Lever Limited (HLL) R&D Center. Five minutes from ITPL and a lifetime away from the madding crowd.

What to wait for

If all the talk excites you, wait for the real thing. Vaswani Pinnacle will be ready for possession in 18 months. Leave behind your contact details and we'll keep you posted.

A word on the Vaswani heritage

Pinnacle is the latest in a long line of dazzling constructions by the Vaswani Group. A name synonymous with international design and quality, and recipient of the coveted ISO 9001 certification by BVQI. Over the past two decades, we've built them all, from charming rowhouses to lifestyle apartments, penthouses to spacious villas. Properties like Bel Air, Tranquil, Solifaire, Exotica, Villa Del Mar and Ashton Woods among others, testify to our brilliance.

MAKE A GRAND ENTRANCE

The main entrance door would be embellished with a teakwood frame, with moulded flush shutters and brass fittings. For other doors, salwood frame with BSC shutters & powder coated aluminium fittings would be provided.

FLOORED BY STYLE

Get imported wooden flooring for the living room, dining room and bedrooms, high quality ceramic tiles for the kitchen, utilities and toilets, black granite counters in kitchen and master bathrooms, interlock pavers or equivalent material for open driveways. We've infused style into every little inch of the house.

ENJOY THE ESSENTIAL LUXURIES

High-end kitchen and toilet accessories like Premium range C.P. fitting and single bowl stainless sink would be provided. Weatherproof cement paint, enamel paint and oil bound distemper would be used for painting and polishing exteriors and interiors respectively. The apartment would be fitted with high quality concealed conduits, premium quality wires, switches and other accessories with TV/telephone points in all bedrooms, points for exhaust fan, microwave oven and electrical cooking range in the kitchen. A 100% generator back-up for common areas and all apartments would also be provided.

FEEL SAFE AND SECURE

The balcony and terrace would have MS railings with pipe/teakwood handrails, while the windows would be provided with MS-grills. And of course, we would provide 24 hour security, intercom connectivity to the security post at the entrance gate, a six feet high compound wall around the project and flood lights at the corners.

Location Map

Not to scale
